COMING TO YOUR AREA SOON!

TiPPED is a new TIPPING solution that is convenient, cashless and contactless.

Through TiPPED, we have managed to increase car guard revenue by 33% per week!

To join this exciting initiative, contact us on info@tipped.biz

Please check out our Press and Media section on our website for more info: www.tipped.biz

What is TiPPED?

TiPPED is a digital tipping solution aimed at any service personnel receiving gratuity.

How does it work?

1. We assign you with a my-iMali bank account free of charge.
2. You will be given a QR code that corresponds with your bank account.
3. The public can use a variety of scanning apps or banking apps to scan your QR code and transfer a digital tip into your account for FREE!
